2022 (Q4) 2023 (Q4)	Sound Generations	Established in 1967, Sound Generations is a comprehensive 501c3 non-profit organization that serves older adults and adults with disabilities in King County. Sound Generations supports almost 54,000 people annually and is Washington State's largest provider of comprehensive services for aging adults and their loved ones located in King County. At Red String, we believe that our elderly loved ones are an invaluable asset to the community and deserve our utmost respect, care, and love, and that primary family caregivers are too often ill-prepared and unrecognized for the contributions they make, often at the expense of their own health, finances, and well-being. We like the comprehensive service offerings that Sound Generations provides to both their elderly participants, primary family caregivers, and the broader Seattle community.	91-0823767	Seattle, Washington		Funds the purchase of essentials and specialty items for caregiver gift bags and raffle prizes to be given out as part of Sound Generation's first Caregiver Appreciation event in November 2022. The Caregiver Appreciation event will invite and recognize the invaluable contributions of unpaid primary family caregivers who are on the front-line providing compassionate care to a loved one allowing them to age in place with dignity and choice. When it comes to aging in-place, it is often forgotten that caregiving is more than just caring for the elderly person's health and wellness. It is also about the everyday mundane tasks that we need to do around the house to ensure the home remain safe, secure, and maintained. This Red String grant is for Sound Generation's Minor Home Repair program. The purpose of the grant is to fund repairs for low-income families, or elderly homeowners who may not qualify for other funding sources due to restrictions such as income levels, geography, or funding limits.
